

National Construction Induction (White Card):

CPCCOHS1001A - Work Safely in the Construction Industry:

Overview:

Safety Training & Compliance Pty Ltd is a registered training organisation (RTO). Our mission is to provide the highest quality of convenient and practical training to our clients. We offer clear, customised courses to make safety easy to understand and apply to all work environments.

National Construction Induction training (CPCCOHS1001A Work Safely in the Construction Industry) is a mandatory requirement under the law for all persons wishing to carry out construction type work. It allows persons doing the course to develop basic skills and knowledge in relation to risk management and relevant Workplace Health & Safety obligations and requirements.

Objectives:

The aim of the course is to provide participants with the following basic knowledge:

- Identify hazards and assess risks
- Identify hazardous materials and other hazards on work sites
- Plan and prepare for safe work practices
- Apply safe work practices
- Follow emergency procedures

Outcomes:

All course participants will receive a Statement of Attainment on successful completion of the course. Furthermore, STC will apply to the Office of Regulatory Services on your behalf for a "White Card". All successful applicants will receive their white card in the mail from 1 October 2009 onward.

Course Duration:

4 hours
